

TENDO Sprint System

INTELLIGENT, WIRELESS TIMING SYSTEM

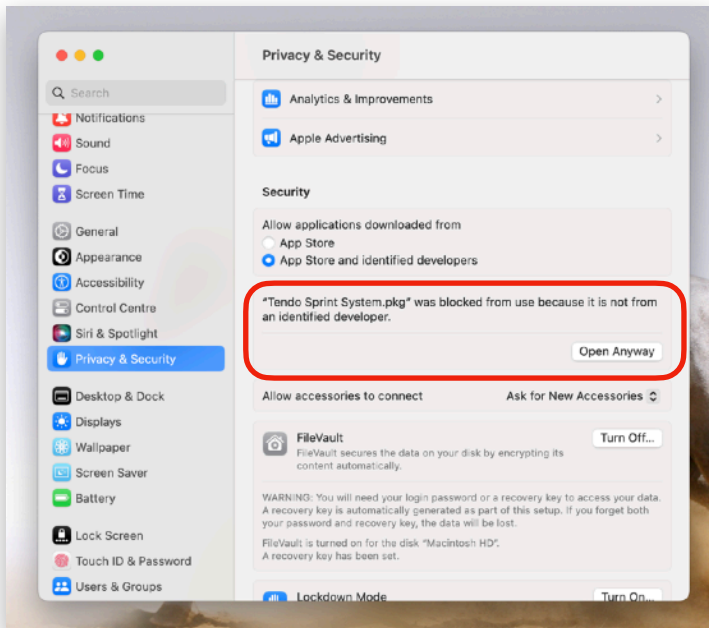

INSTALLING THE COMPUTER SOFTWARE ON MAC

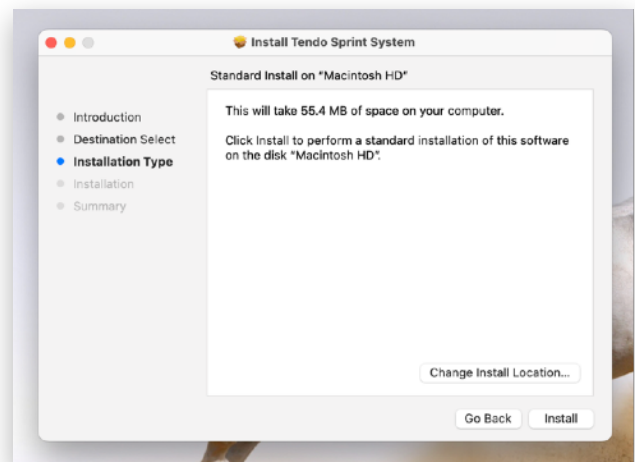

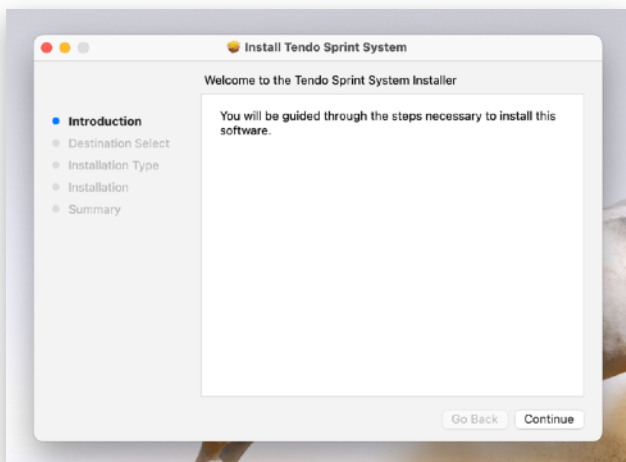

1. Download the “TENDO Sprint System.pkg” file and save it to your Mac.

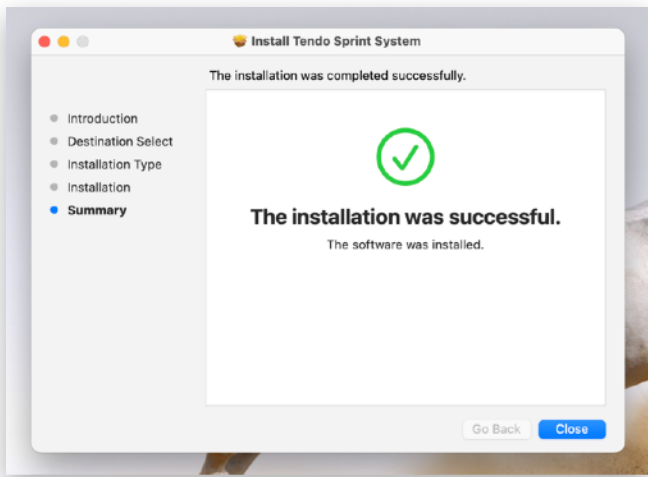

2. On your Mac, click the Apple menu in the top left corner (🍏). Choose “System preferences”. Click on “Privacy & Security” in the sidebar (👤).
3. Scroll down. In the security section, select the “TENDO Sprint System.pkg” file and click "Open Anyway”

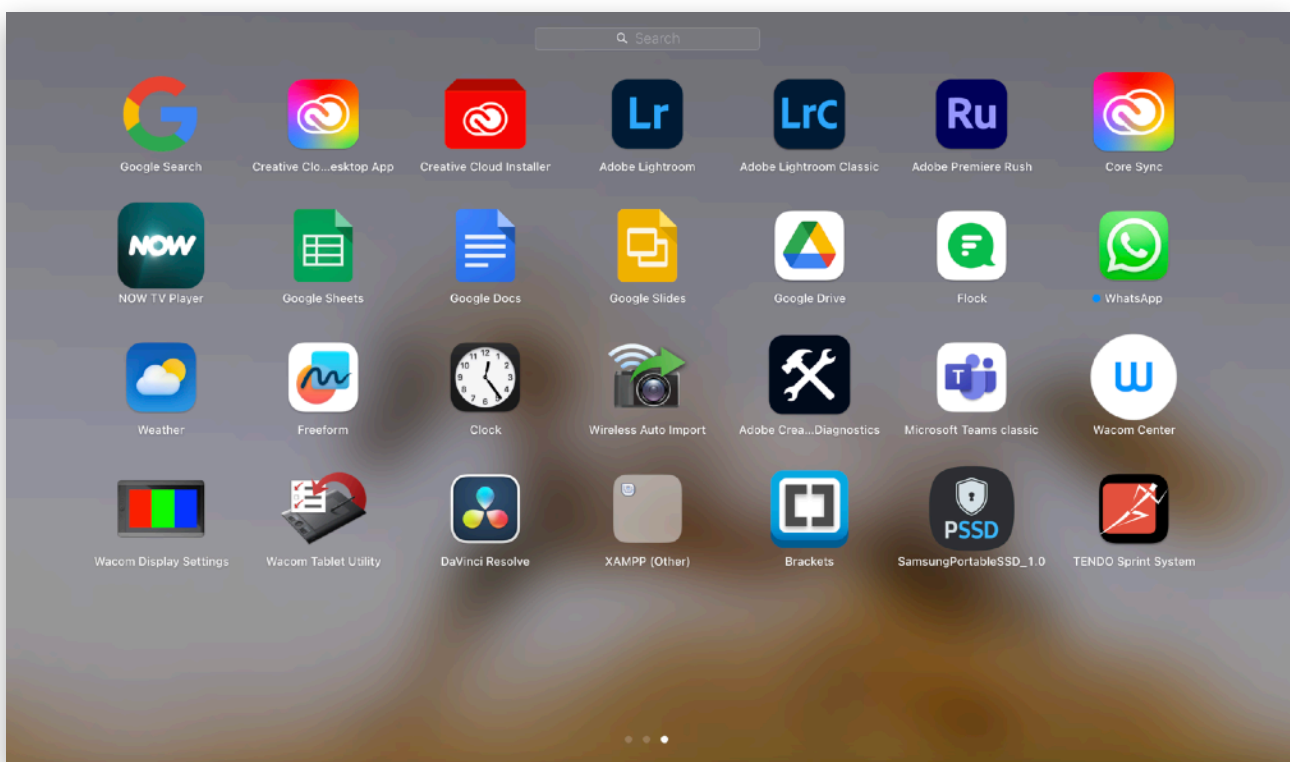

4. Enter your Login details. Click “Confirm”.
5. Follow the on-screen instructions

You will find Tendo Sprint System computer software in your Launchpad.

Attention!

6. When you first connect the TSS Receiver using the USB cable, a window will appear asking you to connect the device to your Mac. Click "Allow"

Uninstallation

1. Open "Finder".
2. Select "Applications".
3. Find "TENDO Sprint System" in the list and drag and drop the icon to the "Bin"
